

The Third School of Young Scientists
“Monitoring of Natural and Technogenic systems”
November 22-24, 2021

Second Announcement

The Perm Federal Research Center of the Ural Branch of the Russian Academy of Sciences announces the Third School of Young Scientists “Monitoring of Natural and Technogenic Systems”, which will be held in Perm on November 22 - 24, 2021. The School is organized with financial support of the Russian Science Foundation within the framework of project No. 19-77-30008.

The program of the School, which includes lectures by leading Russian and foreign scientists, is posted on the home page of the conference website <https://conf.icmm.ru/e/mnts-2021> and in the appendix to this information letter. The program is still subject to alterations and amendments.

Conference application

Registration is mandatory for all conference participants. The participants must register online on the School website <https://conf.icmm.ru/e/mnts-2021> until November 15 2021.

There is no registration fee for participants.

Conference venue

Fulltime participation

The school is hosted by the PFRC UB RAS at the address: Academician Korolev st, 3. The online city map is available on the website <http://perm.2gis.ru/>.

Please note!

The number of fulltime conference participants is limited, which complies with the valid order of the Governor of the Perm Territory No.83 dated July 14, 2021 “...The maximum number of persons allowed at the event venue,no more than 30 people at the same time”, and “...only citizens vaccinated against the novel coronavirus (COVID-19) infection, or citizens presenting negative results of the test aimed to identify the causative agent of the novel coronavirus (COVID-19) infection and conducted no later than 72 hours before the start of the event, or citizens who have had the new coronavirus (COVID-19) infection and no more than six calendar months have passed since the date of their recovery ". This will limit the number of full-time participants, including plenary speakers, to 30 people.

Distant Participation:

All presentations submitted to the School will be available online. Information on the distant participation will be sent to registered participants at a later date.

Important dates:

November 20, 2021 – third announcement containing the program of the School
until November 10, 2021 – registration of School participants
